

TILO

Precision Hardwood Mouldings & Components

Beyond Reliable.

TiloIndustries.com

Tilo Industries creates precision-engineered hardwood mouldings and components using our unique combination of traditional craftsmanship and cutting-edge technology.

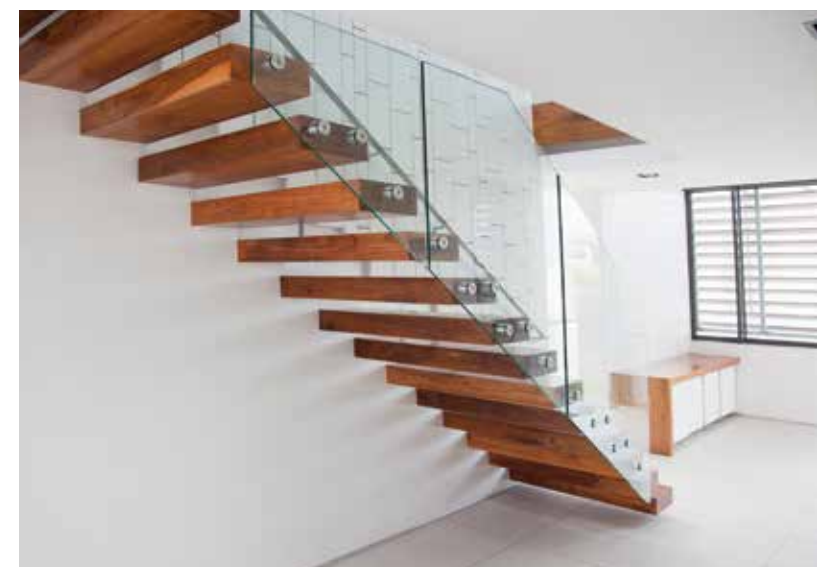

Your Hardwood Moulding & Components Manufacturer

We're the preferred choice for contractors, home builders, furniture and cabinet manufacturers, and commercial builders who understand the value of high-quality hardwood accents and materials.

With us, you can expect:

- Precise Craftsmanship
- Fair Prices and Fast Turnaround Times
- Environmental Responsibility
- Investment in Employees, Community, and Environment

We take pride in our craftsman-quality millwork, mouldings, and hardwood components, ensuring they meet the highest standards of quality and accuracy.

Hardwood Mouldings

Bring Your Hardwood Moulding Designs to Life

We offer an extensive range of styles, from traditional to contemporary, standard to custom. Our expertly crafted hardwood mouldings add elegance and character to any residential or commercial space. Choose from our extensive catalog of moulding profiles, or let our team custom-craft the perfect profile for your next project.

Dovetail Drawer Boxes

Heirloom Quality Drawers

Experience the epitome of quality and durability with handcrafted dovetail drawer boxes. Built with exactness in mind and our signature attention to detail, our elegant drawer box solutions promise to withstand the test of time and continuous use. We offer custom and standard component options with every order.

Edge Glued Panels

Structural Integrity No Matter the Size

Discover the simple versatility and beauty of edge glued panels. We carefully craft the panels from high-quality wood, offering a sturdy solution for a wide range of applications, from furniture and cabinetry to countertops and shelving.

- Butcherblock
- Laminated for thickness

Custom Radius Components

Unlimited Possibilities

Unlock endless design possibilities with custom radius components. Our skilled craftsmen specialize in creating custom-radius pieces to bring your vision to life. Achieve seamless curves and exquisite architectural elements on any project.

Custom Luxury Flooring

EDGE by Tilo

EDGE by Tilo empowers you to create beautiful floor designs built to withstand the demands of virtually any space. We provide everything you need to elevate your flooring with style and confidence that will last for generations.

Enjoy a hassle-free experience from start to finish. From browsing and selecting your desired flooring options to certified installation, we streamline your flooring journey so achieving the space of your dreams feels almost effortless.

Wire Brushed Finishes

Textured Hardwood

This meticulous technique enhances the natural beauty of hardwood by delicately removing the soft grain, resulting in a textured surface that adds depth and character to any space. With over 15 hardwood options, our wire-brushed finishes help you bring a natural aesthetic to every application.

Dimensional Components

Custom Hardwood Parts

Precise cuts every time. That's what you get with our dimensional components. With a keen focus on consistency and craftsmanship, we create custom components that seamlessly integrate into your furniture pieces, cabinetry designs, and more. Whatever your specific requirements, we can help you craft the exact dimensional components to bring your project to life.

CNC Hardwood Components

Computer Numerical Control Milling

Tilo has always been known for our high-quality millwork and mouldings. Our experienced craftsmen have long been creating intricate and precise detailing by hand. Hardwood CNC routing allows us to meet extremely high tolerances and a level of exactitude that's impossible to achieve with human hands.

Benefits	Capabilities	Applications
<ul style="list-style-type: none">— Extreme Precision— Repeatability— Faster Product & Lower Costs— Less Material Waste— Less Sanding	<ul style="list-style-type: none">— Cutting— Shaping— Drilling— Boring— Pocketing	<ul style="list-style-type: none">— Flooring & Paneling— Mouldings— Windows & Doors— Furniture & Cabinetry— Wood Parts & Products— Awards, Plaques, & Displays

Beyond Tilo

Dependable Service

We go beyond providing exceptional products, offering reliable and efficient solutions to bring your vision to life. From prompt and accurate order processing to responsive support, our team is dedicated to delivering a service experience you can always rely on.

High-Quality Materials

We deliver nothing short of excellence when it comes to our hardwood building components. Our stringent selection process ensures that every material we offer meets the highest durability, reliability, and performance standards.

Value Added Services

We go the extra mile to provide value-added services that enhance your overall experience at no cost to you. From custom profile design to pre-finishing, priming, and sanding, our dedicated team supports your needs every step of the way.

Technology & Innovation

We pride ourselves on our ability to combine highly skilled craftsmen with cutting-edge machining technology. Our 56,000-square-foot facility is equipped with state-of-the-art equipment meticulously maintained to ensure precise and chatter-free millings.

Responsibly Sourced Materials

We partner with environmentally conscious suppliers from the very region where American hardwoods are harvested, allowing us to deliver consistent quality from order to order and invest in our employees, our community, and the environment.
